

Community Pep-rally

The Quarter Back Club organized a community pep rally on Thanksgiving, the day before the semi-finals game against Del City. This pep-rally is a tradition that only happens when the football team makes it to the semi-finals. Dance Team, Band, and Cheer were also there to cheer on the football players as they prepped for the big game.

Playoff Celebration

To celebrate the success of the football team making it to playoffs, STUCO organized including Band, Cheer, and the Dance Team. This pep-rally was also meant to get students excited for the first round playoff game against Sapulpa.
